Suncream & Hats

In this lovely weather we are experiencing please remember to apply suncream to your child before school and send them in with a sun hat for outdoor activities. We have a stock of St Breock caps for sale in the office (£3.50).

NSPCC

In response to recent events in Manchester, you may find the following helpful:

We've been shocked and saddened at the news of the tragic attack in Manchester. Children and young people may be feeling anxious or upset in light of the news, and our advice is that they talk to a trusted adult if they are worried - be it a parent, teacher or Childline. The conversation might not be easy if a young person does come to you, so we've got advice to help you support them, here: <http://bit.ly/2q62hjc> If you're concerned about how a child is feeling following the attack, you can call our helpline 24/7 on 0808 800 5000.

ADVICE FOR PARENTS

Avoid complicated explanations that could be frightening and confusing

No Nuts in School

Please may I remind you that it is vital that **no nuts are brought onto the school site under any circumstances** as we have several children who must not come into contact with them. Please check that items placed in lunchboxes do not contain nuts. Thank you.

Reading Volunteers

Thank you to all parents who are faithfully supporting us with this, your help has been invaluable. We must apologise if you have set aside time only to find that the class are out or on another mission. It's the time of year when we are out and about a great deal. Normal service will be resumed a.s.a.p. - probably September. Until then please check with your classteacher regarding plans. Thank you.

Uniform

May we please remind you that school shoes should be black and completely plain.

Sports Day - 16th June, 12.30pm

Please make sure your child(ren)'s plimsoles/trainers still fit ahead of this event. Thank you.

Wellington Boots in school

Please also make sure that these still fit your child(ren).

Clubs Attendance

Please can we stress the importance of taking time to discuss with your child the commitment they need to show when choosing a place in an after school club. Several children this term have decided to 'drop out' of clubs which is unfair to other children who wished to attend but did not get a place and also to the member of staff who has given up their time to run the club.

Schools Forum

A big thank you to those parents who found time to attend our school forum meetings this week. It is much appreciated. Minutes from the meetings will be available on our website very shortly. It was decided at the meetings that we would ask for two parent volunteers from each year group to offer to attend our termly meetings to ensure parent views & ideas are more fully represented. Future meetings will remain open to all parents.

Job Vacancy

Sadly Mr Stewart will be leaving us at the end of this academic year for pastures new and we are delighted for him as he embarks on this new adventure. However, this means we have a vacancy to fill and would very much like to hear from anybody who may be interested. Contact the office for more details. The job will be advertised shortly on the Aspire website and Facebook page.

Resources for school

Should you be having a tidy up and clear out at home we would be very grateful for the following resources: games like jenga or kerplunk, small world figures, puppets and dressing up clothes if they are in good condition.

Fundraiser for Children's Hospice South West

Sunday 11th June, 2-5pm

A 'Tree Party' Party is being held at Wadebridge Scout Hut, including a bouncy castle, fun & games plus refreshments. See the poster on our school noticeboard.

New Year Assembly

We would like to invite all parents but especially Year Five parents to the first Assembly of the new School Year which will be held on Tuesday 11th July at 9.00am. At this assembly we will be looking back on successes of the year and also appointing our new House Captains and Responsible officers of the school. I do hope you will be able to join us.
