

# Year Four

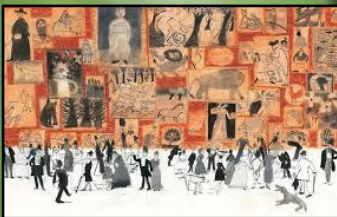

## Autumn Term 2025

Mrs Banks, Mrs Winzor and Mrs Simmonds

### Literacy

In our literacy lessons this term we will begin with an in depth focus on all Year Four grammar areas including nouns, verbs and subjects. We will then be looking at narrative writing, newspaper reports and poetry in the lead up to Christmas.

### Maths

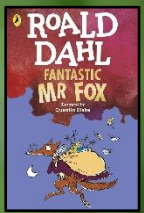

In our maths lessons this term, we will begin by focusing on place value. We will then move on to addition and subtraction and finally finish the term exploring multiplication and division.

### Science

In science we will be investigating what happens to the food that we eat. We then move on to investigating whether materials can change state.

### Spellings

This term we will be continuing to make our way through the LKS2 statutory spellings. The children's spellings will be given to them on a Wednesday for them to stick into their jotters. The spellings are also set on Spelling Shed each week for the children to use to practise.

### Home Challenge

Using what the children have learnt this term as a starting point, we are challenging them to create something to share with the class. This could be a poem, story, presentation, a dance, a song, in fact, it could be in any format they like! Please can their presentations be in school on the 08.12.25. We look forward to seeing all the children's amazing work!

### Foundation Subjects

**Geography:** Looking at Europe as a whole with focus on Italy and its physical features. We will also cover earthquakes and volcanos.

**History:** How we know so much about Ancient Greece and how can we work out what their everyday life was like.

**D and T:** Designing, making and evaluating a book sleeve.

**Art:** Explore how we can create sequenced imagery to share and tell stories.

**French:** Pets, home life and describing ourselves.

**Personal Development:** Exploring 'Being Me in My World' and 'Celebrating Differences'.

**RE:** How are why do people mark the significant events of life?

What is the 'Trinity' and why is it important for Christians?

**PE:** Developing skills: passing, moving, creating space and dribbling through a variety of sports.

**Computing:** The internet, websites and webpages; audio editing and podcasts.

**Music:** Sing a broad range of unison songs with a range of octave. Listen to recorded and live performances from a range of contexts.

**Support:** Please support your child by encouraging them to regularly read at home, complete their Reading Journal, practise their weekly spellings and learn their times tables. They can practise their times tables through Times Tables Rockstars.
