

# 10<sup>TH</sup>-12<sup>TH</sup> JUNE

---

Carnyorth Education Centre is located approximately one mile south of Pendeen and six miles northwest of Penzance in west Cornwall.

As part of Aspire Academy Trust we are privileged to offer ALL our academies from across the county the opportunity to stay at this magical location, at minimal cost.

ALL young people should have the opportunity to try new things and learn new skills, immersed in the natural environment we are so fortunate to have around us here in Cornwall.

The building offers two large dormitories each comprising sixteen bunk beds, plus two smaller rooms, comprising four bunk beds and two bunk beds respectively.

There is a fully equipped kitchen and dining room, as well as a central multi-purpose room with sofas, widescreen TV, books, board games and an indoor climbing wall.

Outside is a grassed play space and fire pit area.
