## Spring 2

Here we are in our penultimate week of the Spring Term. It has been a busy term and with Parent Consultations this week, teachers are looking forward to sharing with you information on your child's progress and how we can work together to ensure they achieve their personal best. If you have not yet booked an appointment please contact the Office to get you slotted in. On Wednesday a group of children from Y1-Y6 attended a Sports Festival at Bodmin Dragon Centre. They took part in a range of sports activities and had such a fantastic time. They exerted themselves so much a number of them fell asleep in the minibus home! On Friday our Chair and Secretary of the School Council had the opportunity to travel with Miss Moine to County Hall, Truro for a Parliament Day. They were able to talk to MPs in London, take part in a vote and enjoy team building games. Ted and Eva were a credit to the school and we are very proud of them for being the perfect role models for St Breock.

## Mrs Dennis

We have been incredibly fortunate to have had the expertise and commitment of Mrs Dennis at St Breock for the last 23 years! Mrs Dennis began working here not long after the school opened and has been part of its journey to where we are today. Mrs Dennis has now made the decision to move onto a new adventure and whilst we will miss her very much, wish her much learning, love and laughter on her next step. Mrs Hawkins will continue to teach in Y6 and Mrs Sainsbury in Y5, until the end of this academic year. Mrs Kempna will continue to teach in Y4 Wed-Fri and will be joined by Mr Swanston on a Monday and Tuesday from next week and then for the Summer Term. I would like to take this opportunity to thank Miss Gotzheim, who has been teaching in Y4 on a Monday and Tuesday this term. Miss Gotzheim is moving to another school in the Trust to take up a full-time position.

## Parenting Support

We endeavour to support you as parents as much as we can through our school community. We understand how challenging parenting can be and how we engage with you is always part of our school development. As well as support for supporting your child's academic attainment and progress, we also want to support you with your child's social and emotional progress. Because we prioritise wellbeing, we have a dedicated section on our website to providing information and links for all areas of child development [St Breock Primary School - Your child's Wellbeing](#). As part of this priority we also have a Pastoral Support Advisor (Miss Brito) who works with classes, groups, individuals and parents in school. We also offer support to parents through our Parent Lounge where we facilitate workshops and information sessions with professionals to allow you to support your child with helpful guidance. In addition to what we can offer you in school, there are also online opportunities through Cornwall Council to access support and advice from professionals. This section of their website [Parenting - Cornwall Council](#) has lots to offer from podcasts to workshops to video interaction guidance. Certainly worth seeing if there is something here for you.

## Nuts

Please can I remind you that we are a nut free school as we have some children who are severely allergic. Please can you ensure you are checking ingredients before packing things in a packed lunch. Cereal bars often have nuts in, as does pesto and chocolate spread, so please be vigilant! We have been advised that labels which say 'may contain traces of nuts' are fine. Thank you for supporting us with this.

The eagle eyed amongst you may have spotted a green wheelie bin in the porch. This is a Boot Bin from Wadebridge Football Club to recycle any old football boots you may have and donate them to their Boot Bank. This is a permanent feature and will be emptied by the club regularly.

Have a wonderful weekend

Mrs Hall
