

St Breock Primary School

Head of School: Mrs S Hall

Spring 2

Well here we are the final newsletter of the Spring Term. We have managed to squeeze quite a lot into this week and are looking forward to another jam packed week next week too before our Easter break. We started the week with our Spring Concert where it is always wonderful to see the children's talents shining in music and speech. Thank you to the parents who were able to attend and support the children. On Wednesday a group of 8 swimmers attended the ESSA Regional Championships. The team held their own against some fearsome competition from private school teams. An amazing experience for them all. On Thursday we attended the first Aspire Cross Country competition at the Showground. It was a tough course, but despite that we managed to come back with the Y5 Girls Gold Medal with Freya Kirkman and a number of valuable points the team contributed to our total, coming 6th overall. KS1 were also treated this week by the Friends of St Breock to a show from SquashBox. KS2's treat of Cornish Caretakers has sadly had to be postponed until the end of April. Finally, Y1 welcomed their parents this afternoon to share their term's learning. Phew what a week!

Holiday Club

Just a reminder that our popular Holiday Club will be running during the second week of the Easter Holiday. Details are attached to this newsletter and information on how to book your child a place.

Parent Working Group

Thank you to the group of parent's who joined me this week to discuss parent feedback via the Aspire parent questionnaire and wider school development opportunities. I am very keen to work with parents to enhance our parent engagement and make the very best of the opportunities we can offer by being part of our school community. If you are interested in being part of our working group please do get in touch. One of the suggestions from our first meeting was to install a way of parents having a way to make suggestions without having to send an email or attend a meeting. So, we are now looking at installing a parents suggestion box in our porch where suggestions can be made.

Parenting Volunteers

We are really interested in enhancing our after school club offer and are looking to you for support with this. If you might have some time to spare after school to offer a club activity please get in touch. This can be anything at all that you have a passion or talent for. Let us know via hello@stbreock.org.uk or pop in to see us. We can't wait to see you and hear your ideas!

A reminder that next week we break up on Thursday as it is a Bank Holiday on Friday. Clubs will run as usual next week and there will be a new club timetable ready for after the Easter break. Enjoy the holiday with your little ones and I am keeping everything crossed that we see a little bit of sunshine!

Have a wonderful break.
