Summer 1

With the bank holiday on Monday this week has whizzed by. It has been another busy football week in school with Y3/4 county finals on Wednesday, Y5/6 9 a side team were crowned County Cup winners yesterday and another Y5/Y6 match today for a place in the Rosewarne Shield final. We are very proud of the teams that have shown commitment and determination in competing in all these matches on the road to the finals!

Yesterday FS2 were thrilled to receive a visit from our local police officers and find out more about their role. They were delighted to be able to see their police car and test out the siren!

On Wednesday Y4 spent the morning with Aspens, our catering suppliers, designing and making pizzas as part of their DT work. They had a fantastic time making these and I can vouch for how absolutely delicious they were.

Yesterday it was Y6s turn to get cooking, again with Aspens. This time they were making pasties to serve at a Cornish Tea Party for their parents in the afternoon. It was a huge success and the children thoroughly enjoyed sharing their learning and cooking with their families.

School Games

We are absolutely delighted and very proud to announce that for the 8th year running we have been awarded the Platinum School Games Mark. The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success. With over 90 Children from our school competing in local inter-school competitions and events already this year, we are extremely proud of our pupils for their dedication to all aspects of school sport and physical activity. As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded again this year.

Parenting Support - Let's Talk about kids and their Tech – parent workshop

I am delighted to signpost you to this free online parent talk with Nicola MacDonald. Nicola is a resilience coach and author of the non-fiction book Resilient Teen. She is the Founder of My Resilient Mind and Co-Founder of The Digital Detox Club. She runs resilience workshops and talks for schools, parents, and adults in the workplace. She specialises in mindfulness, tech addiction, youth mental health and conscious parenting. Nicola is an empowering and uplifting speaker who shares her knowledge in a non-judgemental way linking to her own experiences of parenthood and her own previous struggles with teen anxiety. She will be running an online talk for Cornwall parents on **Monday 8th June 9.30-11am**. You can access the meeting via the link below.

And Finally.....

Yesterday I had a second meeting with our parent working group focusing on communication and parent engagement. We have put together an action plan to structure our work and are starting with looking at how we communicate with you. We are enhancing the look and feel of the weekly newsletter and refining how/where you find information and news. Over the next few weeks the group will be gathering information from you so we can ensure you are able to engage with all the news and everything that is on offer. I am incredibly passionate about making St Breock an effective community that supports parents and staff to ensure children leave us academically, physically and emotionally ready for the next step of their education and to achieve that we need to work together. Team St Breock includes you all!

Have a wonderful weekend
Mrs Hall ♥
