Summer 1

Welcome back to the first newsletter of the Summer Term! It has been a busy and positive first week back after the Easter break, with highlights including a visit from the Cornish Caretakers on Thursday 23rd of April as part of our extended St Piran's Day celebrations, where KS2 pupils enjoyed workshops and a lively History of Cornwall show, as well as a fantastic away win for our Year 5/6 girls' football team at Roche. Looking ahead within the term, pupils will enjoy a special Census Day lunch on Wednesday 21st of May, featuring Supernova Sausages or Veggie Big Bang Bangers with Cosmic Chips, followed by a Rocket Lolly or Flying Saucer Fruit, and we are pleased to share that after-school clubs are due to begin next week. We are also pleased to share information about a Parent Toolshed session delivered by Fruitfly Collective, designed to support parents who have been diagnosed with cancer—please see the attached flyer for further information and booking details. A huge thank you to everyone who took part in our Easter Bonnet Competition. The creativity was wonderful, and thanks to your support, we raised an amazing £95.

House of Commons

Ben Maguire MP has shared an update highlighting his work supporting North Cornwall schools, including promoting pupil wellbeing, backing stronger allergy safety, improving school food, tackling transport and SEND challenges, and campaigning for fairer funding for Cornish schools; his newsletter is attached for your information.
