

# St Breock Primary School

Head of School: Mrs S Hall

## Summer 2

This week has been another busy one with two classes enjoying their residential experiences. Y5 headed to Carnyorth Education Centre on Wednesday. They had a jam packed three days visiting Geevor Tin Mine, climbing, taking part in a water assault course and a visit to Bodinnick. On Thursday Y3 began their residential in school, taking part in team activities and swimming. It is an absolute pleasure to take the children on these experiences as they build on their personal skills and experiences outside of the classroom with their friends.

## Hub Councillors

As part of Aspire Academy Trust our governance is through our North Hub Council. Each of the seven schools is represented by one or two councillors. I have had the privilege of working with two wonderful Hub Councillors, Helen Eustice and David Barton, who provide strategic leadership support and accountability so St Breock continues to deliver the best possible outcomes for children. Sadly after many years of being part of St Breock's school governance Helen has made the decision to step down at the end of this academic year as her youngest child leaves the school. This will mean we will be looking to our parent body for someone who may be interested in providing this critical role. The right person will be able to support the school through monitoring, training and Trust events. If you are interested in finding out more about the role please do get in touch.

## FOSB News

### Non-Uniform Day - 22nd June

We are holding a 'dress colourful or comfy' non-uniform day on the 22nd June. In the coming week each child will bring home a small paper bag. We are asking children to return this filled with a small amount of sweets or toys and bring this back in exchange for wearing own clothes on 22nd June. These bags will be prizes for some of the wonderful games stalls at the Rainbow Run and Summer Fair.

### Rainbow Run and Summer Fair

The Rainbow Run and Summer Fair are being held from 2:30pm on the 26th June. Everyone is welcome to come along to watch and take part in the games etc. All children (and accompanying adults) who wish to take part in the Rainbow Run will need a ticket. These are available to purchase now from <https://buytickets.at/fosb>

### Sports Day Bake Sale

With sports day rapidly approaching FOSB would like to ask parents to please bring in a donation of cakes/bakes or sweet treats that we can sell on our refreshments stall. Please bring any donations in on the morning of 23rd June to the school foyer/parent lounge.

### Volunteers

In order for our Rainbow Run to take place we need a few extra pairs of hands to help make it another colourful success! We're looking for volunteers to help with throwing paint, running a stall, serving refreshments and setting up or packing away. Even an hour of your time would make a huge difference.

We're also looking ahead to Sports Day on 23rd June and would be incredibly grateful any volunteers prepared to do a shift selling the sports day refreshments please.

If you can help with either (or both!), please let us know via the FOSB Facebook page or email [friendsofstbreockschoo@outlook.com](mailto:friendsofstbreockschoo@outlook.com). As always, thank you for your support.

## The Big Future

Dame Rachel De Souza the Children's Commissioner is asking school children from across the country for support through a national survey. She says;

'As the Children's Commissioner I've launched this survey so you can have your say on what it's like to be a child or young person in England today. I will take your views to the Government, to help them make life better for children. It is crucial that I hear from children in every school and college, in every community, across the country. Without hearing from your students, their experiences, views and aspirations risk being missing from the national picture that will help shape future policy. At a time of significant change for children and young people, it is more important than ever that their views are reflected in policy making. Through this survey, I can take the voices of your students directly to the centre of government.'

If you would like your child's view to be part of this significant event then please follow the link below and fill it out together

<http://www.childrenscommissioner.gov.uk/thebigfuture>.

Have a wonderful weekend.

Mrs Hall ❤️
