This is a summary of how our school delivers music education to all our pupils across three areas – curriculum music, co-curricular provision and musical experiences – and what changes we are planning in future years. This information is to help pupils and parents or carers understand what our school offers and who we work with to support our pupils' music education.

Part A: Curriculum music

This is about what we teach in lesson time, how much time is spent teaching music and any music qualifications or awards that pupils can achieve.

Pupils are taught music weekly using well-chosen units from the Sing Up curriculum. In addition music is incorporated across the school within daily routines and songs, break times, assemblies, curricular links and performances.

Our music offer:

- Our school curriculum is informed by the National Curriculum, this is delivered using units from the Sing Up scheme of work.
- Example opportunities for pupils to learn to play an instrument, perform and sing are enabled through; school choir, school performances, school assemblies, Cornwall Music Service and Cornwall Youth Choir.
- St Breock and the music lead work in partnership with ASONE Music Hub, Cornwall Music Trust, Cornwall Youth Choir and Aspire Music Network/Hub schools sharing instruments and resources.

All pupils access quality WAVE one music teaching, pupils with special educational need (SEND) are supported in the following way;

- A safe space which encourages open discussion on the concepts being taught and provides the environment needed to take new risks for new learning.
- The use of digital floor books to evidence learning and encourage participation from all student. In this way children who may not flourish in some areas of the curriculum feel secure to vocalise their learning during practical aspects of the lesson, demonstrating good understanding in a way they would otherwise not be able to do.
- Adult support as needed.
- Work scaffolded based on the needs of the children so it is accessible to their individual needs.
- Adapted tools and equipment.

At St Breock pupils are able to access extra-curricular opportunities through; choir, drama and Cornwall Music Service Trust.

Pupils are able to access a weekly choir club, a KS2 drama club and small group instrument and singing support. These clubs are open to all KS2 pupils free of charge.

Part C: Musical experiences

This is about all the other musical events and opportunities that we organise, such as singing in assembly, concerts and shows, and trips to professional concerts.
