

Year Four

Mr Mitchell

Autumn Term 2026

Welcome to Year 4, where an incredible year of learning and adventure awaits! From getting 'groovy' with Alexander the Great in History, to exploring how we can protect our planet in Science, and producing the next hit podcast in Computing, we've got an action-packed year ahead. Get ready to discover, create and achieve amazing things together!

English

Using a range of key texts, including *Charlie and The Chocolate Factory*, we will be given the opportunity to perfect our skills writing:

- Non-chronological Reports
- Diary Entries
- Setting Descriptions

Mathematics

Within our Mathematics sessions we will continue developing our skills solving problems involving Place Value to 10,000, Addition and Subtraction and Multiplication

Science

Within our science lessons this term we will be studying sound and living things and their habitats.

Spelling, Punctuation and Grammar

This term we will continue to work on our 'SPAG' skills as an introduction to our English sessions. Topics will include: spelling rules, conjunctions, noun phrases and more.

HOME CHALLENGE

For our Home Challenge this term we would like each member of the class to get involved in creating a project or presentation on something they are interested in. This can take any format such as a presentation, poster, model or story and should be in school for the week beginning **07.12.26**

Foundation Subjects

We will use our foundation subjects to truly develop our studies of the environment. With nature placed at the very centre of all we do this term, we can look forward to the following:

D&T: Mechanisms

History: Ancient Greece

Geography: Comparing Our Region to Italy

Computing: The Internet and Podcasts

Art: Story Telling Through Drawing

French: Pets, Home and School

Personal Development: Being Me in My Word, Celebrating Difference

RE: What kind of world did Jesus Want?

PE: Basketball, Football and Netball

Music: This Little Light of Mine

Support

Please support your child by encouraging them to complete their Reading Journal and listening to them read. You may also assist in their learning of Times Tables and this can be revised through Times Tables Rockstars. The login details for this can be found in their 'Morning Maths' book. If you would like to contact me via email, please use the following address: hello@stbreock.org.uk
