

# St Breock's Olympic Family Challenge!

In celebration of all the great achievements during our St Breock family challenge, we feel we can now take on a much bigger challenge.

We will be celebrating the Tokyo 2021 Olympic and Paralympic Games by travelling from London to Tokyo, a humongous 47,349 kilometres!

Complete the challenge by, walking, cycling or scooting and remember to register the time your family are active for, instead of your miles to [pc@stbreock.org.uk](mailto:pc@stbreock.org.uk) to earn points for your house and kilometres for the challenge.

We will keep you posted as we reach each country, on the way to Tokyo!
